

# THE WORKSHOP WORKSHEET

YOU BUILD IT.  
YOU OWN IT.  
YOU PROFIT.

Print this. One page. They fill it in live during Segments 5-7.

## ① My square (Segment 6)

A directory of \_\_\_\_\_  
for \_\_\_\_\_

## ③ The moat that hits me hardest (Segment 5 - circle one)

Flywheel

Others  
build my  
content

Manufactured  
authority

AI won't  
touch local

Auto-  
maintenance

## ② Which family is it? (circle one)

People • Places • Things • Organizations • Events •  
Opportunities • Deals & Money • Software/Tools •  
Media • Knowledge • Matches • Marketplace

## ④ My income stack (check the first 3-5 I'd turn on)

- |                                        |                                            |                                   |                                           |
|----------------------------------------|--------------------------------------------|-----------------------------------|-------------------------------------------|
| <input type="checkbox"/> Paid listings | <input type="checkbox"/> Premium placement | <input type="checkbox"/> Lead gen | <input type="checkbox"/> Sponsorship      |
| <input type="checkbox"/> Ads           | <input type="checkbox"/> Bookings          | <input type="checkbox"/> RFQs     | <input type="checkbox"/> Marketplace fees |
| <input type="checkbox"/> Affiliate     | <input type="checkbox"/> Job board         | <input type="checkbox"/> Data     | <input type="checkbox"/> Training/Certs   |

## ⑤ My rough number (Segment 7 - fill in your own version of the live build)

Listings: \_\_\_\_\_ businesses × \$/mo = \$ \_\_\_\_\_ /yr    Leads: \_\_\_\_\_ /mo × \$ = \$ \_\_\_\_\_ /yr    Other: \$ \_\_\_\_\_ /yr    **My gross:** \$ \_\_\_\_\_ /yr

## ⑥ The one thing I'll do first (write one sentence)
